Master Lease B-191 Landowner Meeting **Monday, May 8, 2017, 6:00 p.m.** **Talking Stick Golf Club**

The Salt River Community Golf Enterprises (the “Enterprise”) is pleased to announce that a third party development team (the “Development Team”) is interested in leasing all the vacant land at the golf club to build a hotel complimentary to the area. The Enterprise will host a meeting on the date listed above to show all landowners under Talking Stick Golf Master Lease B-191 the Development Team’s exciting proposal.

This development proposal, or any other, would require an amendment to Master Lease B-191, which means all landowners will need to be informed concerning the development proposal and development process. This first step in the development process is to inform you of the proposal. As additional steps are taken, the Enterprise will continue to keep landowners informed by hosting future meetings.

Please join us for a light meal and beverages at the Talking Stick Golf Club and to see and hear the Development Team’s ideas. A map is attached for your reference. If you have any questions prior to the meeting please contact Karshannon Gene at 480-362-7600 or via e-mail at karshannon.gene@srpmic-nsn.gov.
