TALKING STICK GOLF LANDOWNER MEETING UPDATE

JANUARY 10, 2019

As a Landowner in the B-191-1 Talking Stick Golf Business Lease, the SRPMIC Community Development Department/Economic Development Division ("CDD/EDD") invited you to four Landowner meetings held in December 2018 to discuss the terms of the proposed Amended & Restated Lease ("A&R Lease"). The Landowner meetings included a presentation, and a video of the December 4, 2018 presentation can be viewed at:

<https://srpmic-nsn.gov/leaseb191/landowner-meetings/>

- Please refer to your blue booklet for the A/R Lease approval process. Currently, CDD/EDD is obtaining Landowner consents for the A&R Lease and Spokesperson election ballots. We will continue this work until we obtain the required amount of consents.
- If you would like to consent to the A&R Lease, please send us your **three** notarized consent sheets. These sheets were included in your green packet that was mailed in November 2018. If you need another set of consent sheets or need notary help, please contact us. If you would like to discuss the A&R Lease before you make your decision, please contact us and we are happy to discuss over the phone or in person.
- As a reminder, the proposed Landowner Bonus Payment will not be paid until the A&R Lease is approved by the Bureau of Indian Affairs.

If you have questions or want more information call Karshannon Gene at (480) 362-2702
