

Customer comments, suggestions, concerns – July 2025

- The Roja Shrimp tacos were really good – shrimp were perfect
- Always like the spicy Indian foods the Café serves. Curry, spicy = yay! Today's Butter chicken had great flavor, but it was pretty dry compared to its normally "moist" presentation
- Thanks for the Chicken Wild Rice Soup. Had a bowl each of the four days I was on site this week. It's the best
- Please make sure the Restaurant show specials are served again – and not just these 2 weeks in June. Delicious.
- Thanks for the contests and department events – they help keep things interesting and fun
- Free ice cream "just because it's hot." Round House is the best.
- Stock left over foods and date them as an option for Perishables.
- The shrimp burger was especially good. Please have again.
- Every time we have catering from the Café it's on time, delicious, and spot on. Thanks to Jennifer and the team.
- Got an out-of-date chocolate milk. You guys replaced it without question. Thanks.
- The S'mores parfaits, the white chocolate blueberry cheesecake – all of the desserts have been extra yummy lately.
- I love gnocchi. Café's seemed extra chewy today. *(Has to do with the type of flour we had available.)*
- Please have the Three Sisters soup again. It was a delightful surprise. *(We received several similar comments)*
- The Tomato Bisque was a triumph. Compliments to the chef!
- Some items in our vending snack machine are past their "best if used by dates." *(We fixed. Thanks for letting us know)*
- I am full and exhausted from reading your excellent conference report! Thanks for sharing your experiences
- I loved reading about many of the events/classes you attended at the National Restaurant Show.
- Dan (Barolli) did a great job on Salt River FYI. Kudos to the entire Café team. Thanks for all that you do.
- I don't know who made the (Grab-n-Go) egg salad sandwich, but it was one of the best cold sandwiches I've had in ages. The Egg Salad was perfect (I would add celery & onions) - the mustard, mayo, consistency, big chunks of egg, just one slice of lettuce – LOTS of egg salad on very fresh wheat/oat bread. Compliments to whoever made both the salad and/or the sandwich. "Best of the week", even with all the restaurant show specials. Please pass on my compliments. Thanks. *(It was Irma. Thanks for your kind words. We let her know).* 😊
- I had the Chicago Club today and it was yummy.
- When deliveries to River People's Health Center are late, it cuts into our 30-minute lunch time.
- Never heard of (or ever had) Airline Chicken until today. It was unexpectedly tasty.
- I suggest natural sweeteners such as Agave, Honey and/or Prickly Pear Syrup *(We'll see what we can do)*
- Thanks for the deviled eggs at the Salad Bar. Hopefully they make another appearance.
- Love the many "new/different" items the Café serves us. I tried the Uova Pizza. Once was enough. But keep the innovative menus coming. Great job, day in, day out.
- The multiple Korean offerings from the restaurant show were especially delicious. Keep 'em coming.
- Have another omelet bar for breakfast soon! It was the bomb. Many compliments to your staff that prepared. Excellent!
- Skirt steak was a bit fatty; paella seemed starchy and bland.
- Those Hope's cookies are buttery delicious, especially the Lemon ones. Wish they were flatter.
- Have Brian's Grandma's fresh-baked cookies again. Gratitude to him and his grandma. Perhaps a recipe? (Hope?)
- Wedge salads with premium proteins (shrimp, salmon) – any day, any time. Delicious, nutritious, fresh. Triple win.
- Any time: Steak & Eggs for breakfast, Turkey meal for lunch, free ice cream – all good!
- Thanks for the extra container of iced tea. Will we be getting Sprite Iced Tea in bottles? *(Working on it.)*
