

SALT RIVER PUBLIC WORKS DEPARTMENT

NOTICE

LONGMORE ROAD WATER MAIN

MONDAY, AUGUST 4, 2025 TO MARCH 2026

Dallas Construction with MGC will begin work on the new water mains along Longmore Road starting from McKellips Road to the Salt River Community Building.

Impacts include road restrictions and temporary water outages.

Planned water outages will be necessary to connect the new water main to the existing water system.

Homes along Longmore Road will receive new water service lines.

Impacted residents will receive advanced notice for this work.

We appreciate your cooperation and patience while we make improvements to the water system.

If you are out of water when work is not active such as after hours, please contact us immediately.
