

NOTICE OF COMMUNITY HEARING

The Land Management Board has scheduled a Community Hearing for a project located on allotted land. We are extending this invitation to all Community Members and Landowners with ownership interest within a ½ mile radius to attend this Community Hearing regarding the following:
Clarendon Avenue (92nd Street to Dobson Road) – Proposed Road and Utility ROW Easement

The Salt River Pima-Maricopa Indian Community, Engineering and Construction Services Department (ECS) is requesting a Right-of-Way easement located along Clarendon Avenue (between 92nd Street and Dobson Road) in order to make roadway and utility improvements. The existing water main is old and needs to be replaced. The main goal of the project is to ensure legal ingress and egress to every single allotment, replace existing water line, provide improved all-weather public roads for existing and future homesite and to provide tribal services (e.g. fire hydrants, fiber-to-homes, etc.)

You may view the pre-recorded video and audio presentation from Community Hearing starting on August 26, 2025 at 5:00PM through September 5, 2025 at 5:00PM. To view the presentation, please visit: www.srpmic-nsn.gov/1879-phc
