DONATE TODAY, MAKE A DIFFERENCE TOMORROW

We're calling on our amazing local businesses to partner with us in making a real difference. If you have lightly used clothing items to donate, we would be honored to receive them at Helping Hands Thrift Store.

Every single dollar spent in our store goes directly back into our community—supporting families in need with essential resources, assistance, and hope during difficult times. Your donations don't just clear space—they create impact.

How You Can Donate:

Helping Hands Donation Bins

Feel free to drop your donations off inside our Donation Bin just outside our store. The bins are available everyday.

In Store Drop Off

You can bring your donations into the store during store hours and give it to one of our amazing staff members.

Scheduled Pick Up

Don't have time to drop off your donation? No problem. Send us an email and let's schedule a pick up that works for you.
