

SALT RIVER POLICE

Service. Respect. Professionalism. Dedication.

ANNUAL REPORT FY 2025

A Note From Our Chief

Greetings to the members of the Salt River Pima-Maricopa Indian Community, our valued partners, and visitors.

As the Chief of Police for the Salt River Police Department, I am honored to lead a team dedicated to safeguarding the safety, sovereignty, and well-being of our Community. As a tribal law enforcement agency, we hold a unique and vital responsibility — to protect not only the rights and security of our people but also the traditions, culture, and values that define who we are. Our mission extends beyond traditional law enforcement. It is rooted in preserving the sovereignty of the Salt River Pima-Maricopa Indian Community and ensuring that our policing practices honor and reflect our cultural heritage. We are committed to building trust, strengthening relationships, and partnering with our citizens to foster a safe and thriving environment — one where our children can grow in opportunity, our elders live with dignity, and our traditions endure for generations to come.

We recognize the evolving challenges facing tribal communities and remain steadfast in addressing them through proactive, culturally informed, and community-based policing strategies. Our officers serve not only as enforcers of the law but also as protectors of heritage, mentors, and advocates for justice. Whether confronting crime, substance abuse, or external threats, our focus remains on safeguarding our people and way of life.

As we move into Fiscal Year 2026, our commitment to continuous improvement is stronger than ever. We will continue investing in professional development, technology, and wellness initiatives, while strengthening collaboration with our local, state, and federal partners. Our goal is to ensure that Salt River remains a safe, resilient, and united Community.

This year's report reflects the significant progress we have made — from deepening community engagement and modernizing our operations to advancing officer wellness and organizational excellence. These achievements are made possible by the unwavering support of our Community and the dedication of the men and women of the Salt River Police Department.

Thank you for your continued trust and partnership. Together, we honor the past, protect the present, and build a stronger future for the Salt River Pima-Maricopa Indian Community.

Respectfully

Watten Holloway

Our Values

VISION STATEMENT

The Salt River Police Department is committed to creating safety and trust within the Community by upholding the highest standards of excellence. Through our dedication to delivering quality service, we aim to create a secure environment for all. We will achieve this by employing advanced training, innovative technology and building relationships through Community Policing.

MISSION STATEMENT

Our mission is to cultivate a safe and thriving environment for the Community where every individual feels protected and empowered. While respecting the culture of the Community, we strive for policing excellence through collaboration, innovation, and continuous improvement. We are committed to preventing crime through proactive measures by building strong relationships based on trust and partnership. We aspire to exemplify integrity, accountability, and compassion.

SERVICE

We deliver exceptional service with the highest standards of excellence.

RESPECT

We honor the inherent dignity of all people, and pledge fair and equal treatment for all.

PROFESSIONALISM

We demand the highest degree of integrity and professionalism from all members of the Police Department.

DEDICATION

We are dedicated to the relentless performance of our duty in pursuit of an improved quality of life for all.

Executive Staff

The Salt River Police Department consists of five different divisions, each with its own specific duties to help fulfill the department's mission. These divisions are overseen by Commanders, and together with the Chief, they form the Executive Staff of the department.

Walter Holloway
Chief of Police

Jonathan Gann
Commander

Michaela Sample
Commander

Alejandro McDaniel

Administration Division

The Administration Division is comprised of the Financial Management Bureau and the Logistics Team. Division personnel are responsible for overseeing the department's budget, grants, procurement, inventory, fleet operations, technology, and facility management. The Administration Division Commander also provides oversight of the Honor Guard and the Critical Incident Stress Management (CISM)/Peer Support teams.

Financial Management Bureau:

The Financial Management Bureau is led by a police lieutenant who supervises a sergeant and five professional staff members. The bureau manages a total operating budget of \$28,141,139.00 and is responsible for the oversight of departmental assets and fleet vehicles. This team ensures that all personnel are properly equipped with the resources necessary to safely and effectively perform their duties.

Police Logistics:

The Police Logistics Team works in close collaboration with the SRPMIC IT Division to manage departmental technology, including both hardware and software systems. During FY25, the team successfully implemented several major initiatives, including the deployment of high-speed internet access in patrol vehicles, multiple equipment acquisitions, and upgrades to several existing software applications. In addition, the team has submitted numerous IT project requests that are anticipated to be completed this year.

PD Main has been refurbished, and renovations to the former PD Administration building are currently underway to convert the space into a dedicated training facility.

\$28,141,139
Total Budget

The SRPD Lobby is open 8 a.m. to 5 p.m. Monday through Friday. Staffed by Office Management staff, lobby services include police reports, fingerprints, firearm permits, and firewood permits, as well as Feedback 4 SRPD Cards.

Fleet

The Salt River Police Department utilizes both marked and unmarked police vehicles to conduct traffic enforcement and address passthrough traffic within the Community. The marked patrol fleet consists primarily of Ford Police Interceptor SUVs and Ford pickup trucks. These vehicles are outfitted with essential operational equipment, including mobile data computers, license plate reader systems, radios, and first aid and life-saving equipment. On average, patrol vehicles accumulate approximately 10,000 miles annually.

The Traffic Enforcement Bureau deploys motorcycle-certified officers who operate BMW motorcycles to conduct proactive traffic enforcement, manage traffic control operations, and respond to vehicle collisions.

In addition to patrol and traffic enforcement vehicles, SRPD maintains a fleet of specialty vehicles to support unique operational needs. These include vehicles assigned to the Special Operations Unit, a Mobile Command Unit, and various other specialized vehicle platforms that enhance the department's overall response and operational capabilities. Added in FY2025, was a brand new Animal Control vehicle.

29 Marked Ford Police Interceptor SUVs

27 Marked Ford F150

7 Police BMW Motorcycles

Crime Analyst

This year the Salt River Police Department hired our first Crime Analyst. Crime Analysts serve as a vital bridge between policing and the community by transforming complex crime data into clear, transparent, and actionable information. Through analysis of calls for service, crime trends, and community concerns, they help ensure policing strategies are data-driven, equitable, and responsive to real conditions rather than perception alone.

By supporting data driven policing, informing leadership decisions, and contributing to reports and dashboards, Crime Analysts promote accountability, improve resource deployment, and strengthen community trust. Their work enables both officers and residents to better understand public safety challenges and collaborate on solutions that enhance safety and quality of life for the community.

Honor Guard

The Salt River Police Department Honor Guard is comprised of ten sworn members representing all ranks within the department. The primary mission of the Honor Guard is to formally represent the men and women of SRPD and to provide funeral honors for fallen law enforcement officers, firefighters, dignitaries, and retired officers. The unit also serves as the “guardians of the colors,” respectfully displaying and escorting the National, Tribal, and State flags during ceremonial and commemorative events.

Members of this elite unit exemplify the highest standards of discipline, precision, and professionalism. Their attention to detail and ceremonial excellence serves as a lasting tribute to those who have made the ultimate sacrifice in service to their communities. The Honor Guard regularly participates in special events as an official representative of the Salt River Police Department and the Chief of Police.

During FY25, the SRPD Honor Guard participated in more than 20 ceremonial events throughout the Valley and across the State of Arizona. Members also traveled to Washington, D.C., to attend National Law Enforcement Memorial events honoring SRPD fallen officers Jair Cabrera (EOW 05/24/2014) and Clayton Townsend (EOW 01/08/2019). Participation on the Honor Guard is an additional responsibility carried by its members beyond their regular assigned duties, reflecting a significant commitment to service, tradition, and departmental pride.

CISM Team

The Salt River Police Department continues to prioritize employee wellness and resiliency through its Critical Incident Stress Management (CISM) and Peer Support programs. To date, seven department members have attended Struggle Well, a prevention-focused program based on the science of Posttraumatic Growth. Struggle Well trains first responders to transform struggle into strength and growth to be of better service to themselves, their family and the community. The long-term goal is to offer this program department-wide to ensure all employees have the opportunity to attend. SRPD has also strengthened its collaborative efforts with the Salt River Fire Department (SRFD), working jointly with the Struggle Well program and planning future coordination between SRPD Peer Support and SRFD Behavioral Health to share resources and support services.

Currently, the SRPD CISM Team consists of ten members, representing both sworn and non-sworn personnel. Additional professional development opportunities remain ongoing, including potential participation in the Blue Paz Peer Support Workshop certification training offered through SRFD. SRPD also utilizes the MindBase wellness platform to connect sworn and civilian employees with available support services. To further enhance internal capabilities, several department members who have not yet received formal training are scheduled to attend a week-long CISM certification course.

The Field Operations Division (FOD) is the largest division within the Salt River Police Department and is comprised of Patrol, Traffic Enforcement, K-9, Rangers, and Animal Control. The division is responsible for responding to calls for service, conducting proactive patrol operations to enhance traffic safety and reduce vehicle collisions, and managing law enforcement services within the Community's Open Range areas.

Patrol

The Patrol Bureau is staffed by sworn personnel and is led by three police lieutenants and six police sergeants who oversee multiple squads of patrol officers. Patrol personnel work four ten-hour shifts and are assigned to day, swing, and night rotations to ensure continuous, 24-hour law enforcement coverage for the Community.

NARCAN

Every SRPD Officer has Narcan, a medication that saves lives during opioid overdoses. In FY25, SRPD Officers used Narcan 37 times, saving 19 lives and bringing the total to 98 lives saved.

Rangers & Animal Control

The Salt River Police Department Rangers and Animal Control Technicians (ACT) play a vital role in protecting the Community's natural resources, enforcing laws related to land preservation and environmental protection, and addressing animal-related issues within the Community. Rangers are full-authority peace officers who regularly support patrol operations, including criminal investigations and area searches.

Animal Control Technicians enforce animal-related ordinances, assist with animal removals, and investigate animal-related complaints. Together, Rangers and ACTs collaborate with government and non-government partners to promote public safety while preserving the Community's natural environment and continuing the tradition of responsible stewardship of the land.

Traffic Enforcement Bureau

The mission of the Traffic Enforcement Bureau (TEB) is to promote roadway safety within the Community through a combination of driver education and the enforcement of traffic laws. TEB officers are responsible for investigating traffic collisions, including serious injury and fatal collisions, responding to traffic-related complaints, and conducting targeted enforcement aimed at collision reduction.

Additional responsibilities include school zone enforcement, DUI enforcement, and DUI investigations. In support of department-wide traffic safety efforts, TEB officers also provide specialized training to patrol officers in areas such as DUI enforcement and traffic collision investigation.

Criminal Investigations Division

The Criminal Investigations Division (CID) consists of detectives assigned to the General Investigations Bureau (GIB) and the Special Investigations Bureau (SIB). Each bureau is staffed by sworn personnel who specialize in the investigation of specific categories of crime. The CID Commander also has oversight of the Special Operations Unit.

General Investigations Bureau

GIB detectives are assigned to specific focus areas within the bureau and are stationed either at Police Headquarters or the Family Advocacy Center.

Major Crimes

Detectives assigned to the Major Crime Unit are responsible for investigating serious and often violent offenses, including gun violence, aggravated assaults, and homicides. Their duties include collecting and analyzing evidence, conducting witness interviews, and developing cases to identify and apprehend suspects. These detectives routinely collaborate with forensic personnel, prosecutors, and partner agencies to resolve complex investigations and hold offenders accountable. Their work plays a critical role in enhancing public safety and providing closure to victims and their families.

Property Crimes

Property Crimes Detectives investigate offenses involving the theft, damage, or destruction of personal and public property, including burglary, theft, vandalism, fraud, and arson. Their responsibilities include recovering stolen property, identifying and apprehending suspects, and gathering evidence to support prosecution. Through these efforts, the unit works to deter property crime and assist victims in recovering their assets.

Special Victims Unit

Detectives assigned to SRPD's Special Victims Unit provide comprehensive investigative and victim-centered services to children and families impacted by sexual abuse, physical abuse, and domestic violence. They work collaboratively with Salt River Social Services, Salt River Child Protective Services, and the Salt River Tribal Prosecutor's Office within the Family Advocacy Center to ensure a coordinated and trauma-informed response. Services typically include forensic interviews, crisis counseling, victim advocacy, and assistance with navigating the legal process. Through this multidisciplinary approach, partner agencies work together to protect vulnerable individuals, hold offenders accountable, and promote healing and safety for victims and their families.

SORNA

Sex Offender Registration and Notification Act (SORNA) detectives are responsible for managing and monitoring individuals convicted of sex-related offenses to enhance community safety. Their duties include overseeing offender registration, ensuring compliance with reporting requirements, and maintaining accurate and up-to-date records. These detectives also locate and apprehend individuals who fail to register or abscond from supervision, ensuring accountability under the law. Through these efforts, the unit plays a critical role in enforcing sex offender registration statutes and protecting the community.

441	255
ARRESTS	CALL OUTS
72	60

Special Investigations Bureau

Detectives assigned to the Special Investigations Bureau (SIB) focus on combating drug-related offenses and disrupting gang activity to enhance community safety.

Narcotics-Vice Unit

The Narcotics-Vice Unit is responsible for combating illegal drug activity through proactive investigation, surveillance, and enforcement. The unit consists of one supervisor, six detectives, and one K-9 trained in narcotics detection, and focuses on identifying and dismantling drug trafficking operations within the community. In partnership with the DEA Task Force, the unit leverages federal intelligence and resources to target large-scale drug networks while also addressing local-level narcotics and vice offenses. These efforts are aimed at reducing the availability of illicit substances and enhancing public safety.

Gang Suppression Unit

Gang Suppression Unit (GSU) detectives focus on investigating gang-related activity, narcotics offenses, firearms violations, and violent crime. They work collaboratively with other CID units on investigations and suspect apprehensions. All GSU detectives are assigned full-time as FBI Task Force Officers, with one detective assigned to the Central Arizona Safe Trails Task Force.

Professional Services Division

The Professional Services Division plays a critical role in shaping the culture, professionalism, and long-term success of the Salt River Police Department. The division oversees key functions that support the development of personnel, ensure accountability and compliance, foster meaningful community partnerships, and uphold nationally recognized standards of policing. By emphasizing continuous improvement, transparency, and engagement, the Professional Services Division helps ensure that SRPD remains a forward-thinking organization committed to excellence in service and public trust.

FY 25 Division Highlights

-  Community Policing Strategic Plan
-  Youth SRPD Cadet Program
-  The Breakthrough With SRPD
-  Citizens Police Academy
-  Increased Social Media Engagement
-  Enhanced Cultural Awareness Training
-  Exceeded Minimum Training Hours
-  Achieved ALEAP Triple Accreditation

Hiring and Recruiting

The Hiring and Recruiting team manage the full lifecycle of attracting, selecting, and onboarding sworn and civilian personnel to support the Salt River Police Department's mission. During FY25, the unit expanded recruitment efforts through modernized outreach strategies, including the launch of a high-quality recruitment video that highlighted the benefits of working at SRPD. These benefits include work-life balance, career development opportunities, being valued as an employee, and the importance of community service and relationship-building within the Salt River Pima-Maricopa Indian Community.

Recruitment messaging was amplified through coordinated media and public outreach, while a Recruitment and Training Officer (RTO) assigned at the academy strengthened continuity between hiring and recruit development. The unit also emphasized attracting qualified lateral applicants to enhance staffing levels and operational readiness, reinforcing SRPD's commitment to building a professional, community-focused workforce. A great highlight of the year was being able to fill most civilian positions with only a few remaining.

Training

The Training Unit plays a critical role in supporting the Salt River Police Department's mission by delivering comprehensive, high-quality training that ensures personnel are prepared to serve the Community with professionalism, competence, and accountability. In FY2025, the department delivered more than 17,000 hours of training to its employees. While this number represents training that is distributed across the entire workforce. Training hours are accumulated by tracking the time each employee spends in required and professional-development training throughout the year. When these individual hours are combined across all sworn and civilian employees, they reflect the Department's overall investment in maintaining a skilled, prepared, and professional workforce.

Training focused on post-academy development, advanced officer skills, high-liability disciplines, and continuing education, while maintaining compliance with required certification standards. Instruction emphasized scenario-based learning, tactical and operational readiness, health and wellness, and culturally informed policing. Collectively, these efforts strengthened officer proficiency, risk management, and community-focused service, reinforcing SRPD's commitment to continuous improvement and professional excellence.

Training Highlights

- Post-Academy and Advance Officer Development
- High Liability and Risk-Sensitive Skill Training
- Mandatory Certification and Compliance Training
- Skills Reinforcement

Professional Standards Bureau

The Professional Standards Bureau plays a critical role in supporting the Salt River Police Department's mission by promoting accountability, transparency, and professionalism across the organization. The bureau is responsible for receiving, tracking, and investigating allegations of misconduct involving department personnel, as well as maintaining comprehensive records related to disciplinary actions, use-of-force incidents, vehicle pursuits, on-duty collisions, and citizen commendations.

During FY25, the bureau obtained a new Supervisor who received thorough training and continued its educational and awareness efforts by holding internal affair investigation debriefs of significant investigations. These efforts reinforce SRPD's commitment to fair, thorough oversight and maintaining public trust through accountability and openness.

PSB Activity	Outcome
7 Internal Investigations	7 Policy Violations
20 Citizen Complaints	3 Policy Violations
2 Vehicle Pursuits	1 Not within Policy
36 Use of Force	2 Not within Policy
9 Vehicle Accidents	5 At Fault
4 Firearm Discharge	2 Not within policy

Community Engagement Team

The Community Engagement Team supports the Salt River Police Department's mission by strengthening trust, transparency, and meaningful relationships between the department and the Community through proactive outreach, communication, and collaboration.

Formed in March 2024, the team engages directly with residents, Community partners, local businesses, and schools, participating in over 100 meetings and engagements to promote dialogue and partnership.

During FY25, CET successfully relaunched the Citizens Police Academy and introduced the department's monthly Breakthrough with SRPD meetings, creating opportunities for open discussion, information sharing, and public feedback. CET also launched the SRPD Cadet Program, designed to provide an opportunity for young men and women between the ages of 14 and 20 to work alongside, train with and assist police personnel. The Cadets receive specialized law enforcement training, attend monthly meetings and volunteer to perform import community services.

The School Resource Officer, operating under CET, maintains strong relationships with the ECEC and ALA campuses and serves as a liaison for all schools within the Community, prioritizing education, awareness, and relationship-building to support safe, supportive learning environments. Collectively, these efforts enhance approachability, strengthen community trust, and reinforce SRPD's commitment to open communication and community-centered policing.

Engagement thru Social Media

CET oversees public information and outreach efforts, including department messaging, media coordination, newsletters, and social media platforms. Consistent engagement—averaging three to four posts per week—has resulted in significant growth in followership and positive community interaction, including SRPD's first video surpassing one million views.

COMMUNITY FEEDBACK

Community feedback is a vital component of the Salt River Police Department's commitment to transparency, trust, and continuous improvement. SRPD conducted its first-ever community focus groups in FY25 with the objective to gather meaningful input that helped inform the development of the department's Community Policing Strategic Plan.

During FY25, SRPD expanded opportunities for open dialogue through the launch of monthly Breakthrough with SRPD sessions. These department-hosted public meetings are designed to share information, engage in discussion, and provide direct question-and-answer opportunities with community members.

Community members are also able to submit feedback—both positive and negative—through multiple platforms, including online submission forms, ensuring accessible and ongoing opportunities for engagement. Collectively, these efforts strengthen two-way communication, encourage collaboration, and reinforce SRPD's commitment to being open, responsive, and guided by community voice.

www.SaltRiverPD.com

Team Objectives:

Improve communication by providing an inclusive platform for all voices to be heard.

Serve as a link for Community Members

Connect Resources

Implement problem-solving strategies to improve overall Community well-being

Law Enforcement Accreditation

Accreditation through the Arizona Law Enforcement Accreditation Program (ALEAP) supports the Salt River Police Department's mission by ensuring policies, operations, and training align with recognized best practices and the highest standards of professionalism. Initially accredited in 2020, SRPD proudly maintains accreditation in Law Enforcement and Emergency Communications by showing compliance on all standards annually.

In FY25, SRPD was able to complete and achieve ALEAP accreditation in Property and Evidence, a distinction that makes SRPD the first law enforcement agency in Arizona to earn this recognition.

SRPD was among the first three agencies statewide to achieve triple accreditation. SRPD is the only tribal law enforcement agency to hold all three ALEAP program accreditations; a unique distinction nationwide.

These achievements reflect more than compliance; they demonstrate SRPD's commitment to continuous improvement, accountability, officer safety, operational effectiveness, and community confidence while reinforcing professional, transparent, and proactive policing in service to the Salt River Pima-Maricopa Indian Community.

The Salt River Police Department has demonstrated an unwavering commitment to excellence through multiple accreditation achievements.

Support Services Division

The Support Services Division contains several bureaus key to the operation of the department, including the Property and Evidence Bureau, Crime Scene Services, Intelligence Unit, Communications Bureau, Office Management, Records Bureau, and Extra Duty.

Property and Evidence Bureau (PEB)

PEB staff includes one manager and two custodians. They are responsible for managing and dispositioning property and evidence collected by SRPD Officers and Crime Scene Specialists. They ensure all materials are handled, stored and disposed of following national standards and best practices. PEB has accounted for all items of evidence in every announced and unannounced audit for FY25.

As FY25 concluded, the Property and Evidence Bureau (PEB) continued its diligent work to maintain its Arizona Law Enforcement Accreditation status, remaining the first law enforcement Property and Evidence Bureau in Arizona to achieve this distinction.

Crime Scene Services

This team is led by a police lieutenant who oversees two civilian Crime Scene Specialists (CSS), that work together to ensure 24X7 support for crime scene processing. CSS's respond to crime scenes, collect many types of evidence, process it, package it and submit into the Property and Evidence Bureau. In addition, CSS staff responded to over 35 callouts in FY25.

Intelligence Unit

The SRPD has two detectives working in the Intelligence Unit. These detectives are well-trained and equipped with tools to assist in major investigations by gathering, examining, and analyzing intelligence data. One detective is embedded in GIB but offers support to the entire department. One detective is stationed at the East Valley Fusion Center in Mesa, a collaborative center covering multiple jurisdictions. Here, detectives carry out criminal investigations and analyze crime trends using various methods and resources to identify cross-jurisdictional crime patterns.

Public Safety Communications

This bureau is responsible for answering emergency and non-emergency telephone calls and texts to-911 messages. Our telecommunicators provides emergency and non-emergency support to the public, dispatching Salt River Police and Salt River Fire Department. The Salt River Emergency Communications Center (ECC) was the first tribal law enforcement ECC to achieve Accreditation in the country.

Emergency Notification System

SRPMIC utilizes SRPMIC Ready, an emergency notification software platform that sends public safety notifications via phone call, text and email. Scan the QR code to sign up for SRPMIC ready. All SRPMIC employees are registered for their work email and work issued telephone numbers.

Office Management

This team is responsible for providing administrative support to the department including managing supplies, work orders, requisitions, and personnel files. Visitors to SRPD headquarters will be greeted by Office Management staff, available during business hours. Lobby services include police reports, fingerprinting, firewood permits, firearm permits, as well as SRPD Compliment and Complaint cards.

Records Bureau

All police incidents that result in reports or arrests end in Records. Staffed with one manager, two supervisors and 9 clerks, this team is responsible for processing police reports, fulfilling evidentiary and discovery requests, submitting cases for prosecution, and managing subpoenas. Additionally, they handle confidential information requests, complete records checks, track registered sex offenders and make notifications. The work of this team is vital to the interface between SRPD and tribal, state, and federal prosecutors.

Extra Duty

Keeping everyone safe during special events, big gatherings, and road construction in the Community is crucial. Businesses hire SRPD officers to keep the peace, direct traffic and provide security without drawing resources from patrol. This Extra Duty process ensures safety without compromising services or increasing personnel costs to the Community.
