NOTICE

MESQUITE TRAILS SIDEWALK & DRAINAGE IMPROVEMENTS UPDATE

EXTENDED END DATE: SEPTEMBER 2026

The Mesquite Trails Sidewalk and Drainage Improvements project along Camelback Road and Mesa Drive, and within the Mesquite Trails Subdivision, has been extended through September 2026.

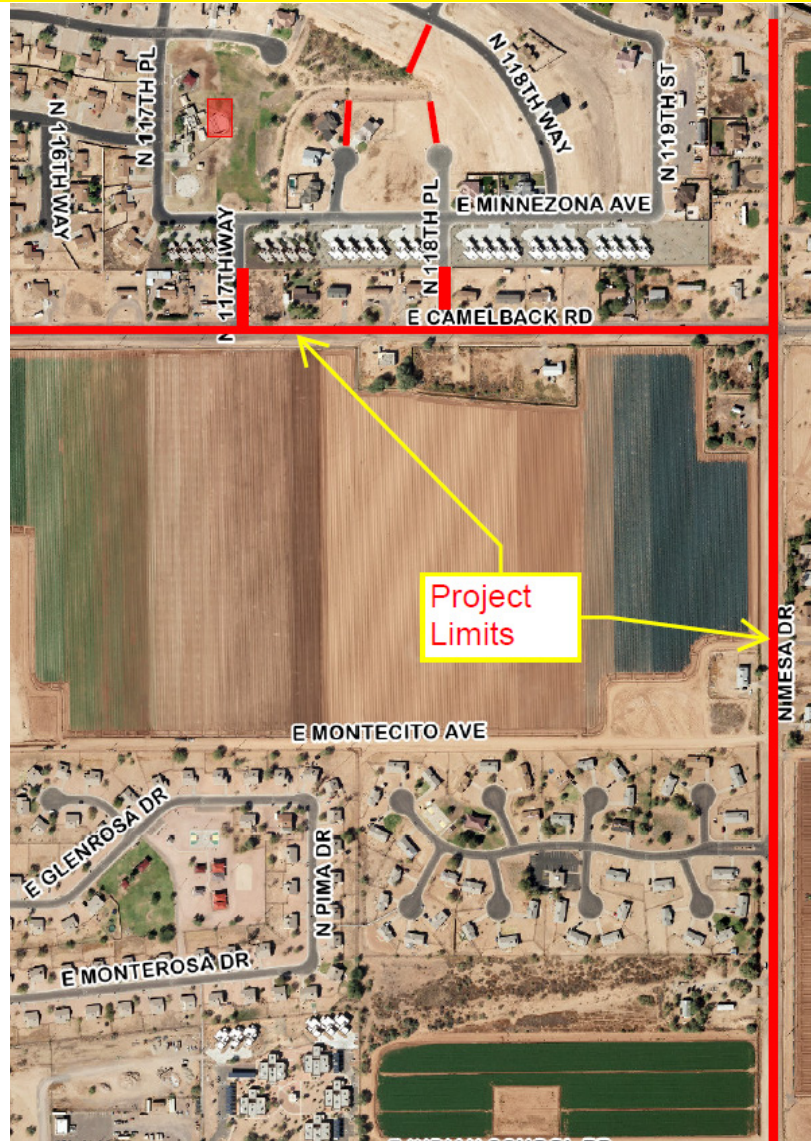

As a reminder, here is what the project includes:

- waterline replacement
- installation of new sidewalks
- streetlights
- construction of drainage ditches and culverts

Here are some NEW items included in the project:

- block walls/wrought iron fences
- installation of riprap for erosion control

Any questions, contact Felicia Curry-Connelly, Drainage and Irrigation Civil Engineer at (480) 208-2404 or email felicia.curryconnelly@srpmic-nsn.gov
