

ECS

230 - kV Payouts

- SRP landowner payout will be mid-December 2026.
- APS landowner payout will be mid-June 2027.
- Payouts will be based on a new independent appraisal, must use same methodology as the previous four 10-year payments.
- Individual payout amounts are unknown until appraisal and landownership review is completed; should have that information by December 4, 2026.
- Landowners will be notified directly by mail with the payout details but can call the ROW Hotline at 480-362-6870 for general information.
- Staff anticipate that SRP and APS will seek to renew their easements before they expire in 2036 and 2037, respectively.
