*Joaquin is remembered for his contagious smile, his silliness, his determined spirit, his great sense of fashion, and his impeccable taste in art and music. He was someone you could count on to have your back. Being a friend, son, grandson, nephew, brother, uncle, you cannot forget. He watched over his family every step of the way. We ask you to come with your brightest energy to celebrate the life of "JD", bring your dancing shoes and favorite dish. We cannot wait to see you. -The Family*
