

HAZARD MITIGATION PLAN SURVEY

WE WANT TO HEAR FROM YOU!

Maricopa County and 25 participating jurisdictions are updating the Multi-Jurisdictional Hazard Mitigation Plan (MJHMP). The plan assesses risk and develops actions to the reduce impacts of natural hazards, like floods, wildfires, and storms.

Your feedback is important and helps:

Identify Hazard Risks

Helps us understand how natural hazards impact Maricopa County.

Inform Solutions

Your feedback guides actions to reduce risk.

Build Resilient Communities

Safer, resilient communities starts with you!
